(6) Notwithstanding anything contained in this Section to the contrary, the Indenture Trustee shall not be required to register the exchange or transfer of any Note during the period of 15 days preceding the date on which any payment with respect to such Note is to be made.

(7) The Indenture Trustee may make a sufficient charge to reimburse it for any stamp taxes or governmental charges required to be paid and a reasonable charge for its services and a reasonable sum per Note created and issued upon any exchange or transfer of Notes permitted hereunder. Payment of these taxes and charges will be made by the Person requesting the exchange or transfer as a condition precedent thereto.

(8) In the case of the death of one or more joint registered Holders, the principal of, and interest and other amounts, if any, on a Note may be paid to the survivor or survivors of such registered Holders whose receipt thereof, accompanied by the delivery of such Note, shall constitute a valid discharge to the Indenture Trustee and the Trust.

The Indenture Trustee will, upon request by the Issuer Trustee or the Administrator, on behalf of the Trust, give written notice to the Trust of the particulars of any Notes repaid or surrendered or delivered to it for cancellation.

(2) The Trust may, in its discretion, at any time deliver to the Indenture Trustee for cancellation any Notes which the Trust may have redeemed as herein provided and upon direction from the Trust all such Notes so delivered shall be cancelled by the Indenture Trustee.

(3) All Notes which have been surrendered or delivered to and cancelled by the Indenture Trustee will be destroyed by the Indenture Trustee, subject to its relevant records retention policies, and the Indenture Trustee will, upon request by the Issuer Trustee or the Administrator, on behalf of the Trust, furnish to the Trust a destruction certificate on request setting forth the numbers and denominations of the Notes so destroyed.

If any Notes of a Class outstanding hereunder shall become mutilated or be lost, stolen or destroyed, the Issuer Trustee, in its discretion, may create and issue, and thereupon the Indenture Trustee shall certify pursuant to Section 2.96 and deliver, a new Note of the same Class and of like date and terms as the one mutilated, lost, stolen or destroyed in exchange for and in place of and upon cancellation of the mutilated Note, and in lieu of and in substitution for the same if lost, stolen or destroyed. The new Note shall be in a form approved by the Issuer Trustee and the Indenture Trustee and shall be entitled to the benefits of this Indenture equally with all other Notes of the same Class created, issued, certified and delivered hereunder (subject to the provisions of this Indenture, including Section 2.51). In case of loss, theft or destruction, the applicant for a new Note of a Class shall furnish to the Trust and the Indenture Trustee evidence, satisfactory in form and substance to the Indenture Trustee, of such ownership and of such loss, theft or destruction, shall indemnify the Trust and the Indenture Trustee in amount, form and substance satisfactory to each of them, and/or provide other security to them as they may reasonably require, and shall pay all expenses incidental thereto.

**2.100 Access to Holders' Lists.**

(1) Each Register for a Class will, at all reasonable times, be open for inspection by the Trust and the Collateral Agent. The Indenture Trustee will provide each of the Trust or Collateral Agent with a copy of such Register or Registers as they may request within one Business Day of such request.

- (3) If there are sufficient funds in any Payment Account to pay all amounts of equal priority, any *pro rata* allocation shall be made utilizing the procedures in Section 1.20.
- (4) For the purpose of making *pro rata* payments of principal to the holders of Notes on any Payment Date, the amount available to pay principal and the outstanding principal amount of the relevant Notes shall each be calculated in the Reference Currency utilizing the procedures in Section 1.20 and then the percentage which the total amount available to pay principal in respect of such Class of Notes is of the outstanding principal of such Class of Notes will be calculated. #### **11.8 Indenture Trustee May Deal in Notes.**

The Indenture Trustee, in its personal capacity or any other capacity, and any Affiliate thereof may each buy, sell, lend upon, become a pledgee of and deal in the Notes and generally contract and enter into financial transactions with the Trust without being liable to account for any profits made thereby. Except as expressly provided in this Indenture, neither the Indenture Trustee nor any Affiliate thereof shall have any right of set-off, combination, consolidation or banker's lien against, and no right to otherwise deduct from, any funds on deposit in an Eligible Deposit Account held in trust for the benefit of the Holders.

#### **11.9 Conditions Precedent to Indenture Trustee's Obligation to Act.**

(1) Except as otherwise expressly provided herein, the Indenture Trustee shall not be bound to give any notice, or to do, observe or perform or see to the observance or performance by the Trust of any of the obligations herein imposed upon the Trust or of the covenants on the part of the Trust herein contained, or to supervise or interfere with any of the activities of the Trust, or to do or take any act, action or Proceeding by virtue of the powers conferred on it hereby unless and until it shall have been required so to do under the terms hereof; nor shall the Indenture Trustee be required to take notice of any Default or Event of Default hereunder, other than in payment of any monies required by any provision hereof to be paid to it, unless and until notified in writing of such Default or Event of Default by the Issuer Trustee or the Administrator, on behalf of the Trust, or a Noteholder, which notice shall distinctly specify the Default or Event of Default desired to be brought to the attention of the Indenture Trustee and, in the absence of any such notice, the Indenture Trustee may for all purposes of this Indenture conclusively assume that the Trust is not in default hereunder and that no Default or Event of Default has occurred. Any such notice or requisition shall in no way limit any discretion herein given to the Indenture Trustee to determine whether or not to take action with respect to any Event of Default or with respect to any such requisition.

(2) The obligation of the Indenture Trustee to take any action or refrain from acting in relation to this Indenture, including to commence or to continue any Proceeding, shall be conditional upon the Holders furnishing, when required by notice in writing by the Indenture Trustee, sufficient funds to do such actions and to commence or continue such Proceeding and an indemnity reasonably satisfactory to the Indenture Trustee to protect and hold harmless the Indenture Trustee against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof, including the indemnities contemplated by Section 9.5.

(3) None of the provisions contained in this Indenture shall require the Indenture Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless provided with sufficient funds and indemnified as aforesaid.

(4) The Indenture Trustee may, before commencing or at any time during the continuance of any such Proceeding, require the Noteholders at whose instance it is acting to deposit with the Indenture Trustee the Notes held by them, for which Notes the Indenture Trustee shall issue receipts.

#### **11.10 Indenture Trustee Not Required to Give Security.**

The Indenture Trustee shall not be required to give security for the execution of the trusts or its conduct or administration under this Indenture.

#### **11.11 Resignation or Removal of Indenture Trustee; Conflict of Interest.**

(1) The Indenture Trustee represents and warrants to the Trust that at the time of the execution and delivery hereof no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

(2) The Indenture Trustee may resign its trust after giving 60 days' notice in writing to the Trust or such shorter notice as the Trust may accept as sufficient. The Indenture Trustee shall resign if a material conflict of

interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest it shall provide the Trust with written notice of the nature of that conflict. Upon any such resignation, the Indenture Trustee shall be discharged from all further duties and liabilities under this Indenture. If, notwithstanding the foregoing provisions of this Section, the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Notes created, issued, certified and delivered hereunder shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest at the date hereof or hereafter. If the Indenture Trustee contravenes the foregoing provisions of this Section, any Specified Creditor or the Trust may apply to the Ontario Superior Court of Justice for an order that the Indenture Trustee be replaced as trustee hereunder. The Issuer Trustee or the Administrator, on behalf of the Trust, shall advise the Rating Agency that it has received notice of the resignation or given notice of the removal of the Indenture Trustee within one Business Day of receipt or provision of such notice.

(3) No resignation or removal of the Indenture Trustee shall be effective unless a successor Indenture Trustee has been determined to be appointed effective immediately upon such resignation or removal. In the event of the Indenture Trustee resigning or being removed or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Issuer Trustee or the Administrator, on behalf of the Trust, or Noteholders of all Classes by Extraordinary Resolution (voting together) shall use commercially reasonable efforts to forthwith appoint a successor Indenture Trustee, subject to satisfaction of the Rating Agency Condition, unless a successor Indenture Trustee has, subject to satisfaction of the Rating Agency Condition, already been appointed by the Noteholders; failing such appointment, the retiring Indenture Trustee may apply to a judge of the Ontario Superior Court of Justice, on such notice as such judge may direct, for the appointment of a successor Indenture Trustee. Any successor Indenture Trustee so appointed by the Trust or by such court shall be subject to removal by the Noteholders by way of an Extraordinary Resolution of Holders of all Classes (voting together). Any successor Indenture Trustee shall (i) be a corporation authorized to carry on the business of a trust company in each of the provinces of Canada, and (ii) not be a non-resident of Canada for the purposes of the Tax Act and shall execute an agreement in writing agreeing to be bound by the terms of this Indenture. On any appointment of the successor Indenture Trustee, the successor Indenture Trustee shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Indenture Trustee. If a successor Indenture Trustee fails to be appointed pursuant to this Section 11.11, the Indenture Trustee then appointed shall continue to act as Indenture Trustee notwithstanding any other provision of this Indenture. The expense of any act, document or thing required under this Section 11.11 will be satisfied from the property and assets of the Trust in the same manner as if the amount of such expense constitutes an amount in respect of fees payable to the Indenture Trustee under this Indenture.

(4) Any successor Indenture Trustee shall, forthwith upon appointment, become vested with all the estates, properties, rights, powers and trusts of its predecessors in the trusts hereunder, with like effect as if originally named as Indenture Trustee herein. Nevertheless, upon the written request of the successor Indenture Trustee or of the Issuer Trustee or the Administrator, on behalf of the Trust, the Indenture Trustee ceasing to act shall execute and deliver a document assigning and transferring to such successor Indenture Trustee, upon the trust herein expressed, all the rights, powers and trusts of the Indenture Trustee so ceasing to act, and shall duly assign, transfer and deliver all property and money held by such Indenture Trustee to the successor Indenture Trustee so appointed in its place. Should any deed, conveyance or other document in writing from the Trust be required by any successor Indenture Trustee for more fully and certainly vesting in and confirming to it such estates, properties, rights, powers and trusts, then any and all such deeds, conveyances and other documents in writing shall, on the request of the successor Indenture Trustee, be made, executed, acknowledged and delivered by the Issuer Trustee.

(5) Any corporation into which the Indenture Trustee may be merged or with which it may be consolidated or amalgamated or any company resulting from any merger, consolidation or amalgamation to which the Indenture Trustee shall be a party or any corporation to whom the Indenture Trustee has transferred its corporate trustee business shall be a successor Indenture Trustee under this Indenture, without the execution of any document or any further act; provided that such successor Indenture Trustee shall be a corporation qualified to carry on the business of a trust company in each of the provinces of Canada, shall not be a non-resident of Canada for the purposes of the Tax Act, shall not have a material conflict of interest in its role as a fiduciary under this Indenture and shall, in the event that such corporation does not become a successor Indenture Trustee by operation of law pursuant to such merger, consolidation or amalgamation, execute and deliver such written instruments as may be reasonably required to confirm and/or acknowledge its status as the successor Indenture Trustee. In the event such

- 265 -

successor corporation does not satisfy the requirements of Section 11.11(5), the Indenture Trustee shall resign in the manner and with the effect specified in Section 11.11.

**11.12 Authority to Carry on Business; Resignation.**

The Indenture Trustee represents and warrants to the Trust that at the date of execution and delivery by it of this Indenture it is authorized to carry on the business of a trust company in each of the provinces of Canada. If, notwithstanding the provisions of this Section, the Indenture Trustee ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Notes created, issued, certified and delivered hereunder shall not be affected in any manner whatsoever by reason only of such event but the Indenture Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in each of the provinces of Canada, either become so authorized or resign in the manner and with the effect specified in Section 11.11.

**11.13 Protection of Indenture Trustee.**

By way of supplement to the provisions of any law from time to time relating to trustees and in addition to any other provision of this Indenture for the relief of the Indenture Trustee, it is expressly declared and agreed as follows:

- (a) the Indenture Trustee shall not be liable for or by reason of any statements of fact or recitals in this Indenture or in the Notes (except the representations and warranties contained in Section 2.96(2), Section 11.11(1), Section 11.12 and Section 11.14 which are being given by the Indenture Trustee in its personal capacity) or required to verify the same, but all such statements or recitals are and shall be deemed to be made by the Trust;
- (b) the Indenture Trustee shall not be bound to give to any Person notice of the execution hereof or of the Security Interests unless and until an Event of Default has occurred and Notes have been declared immediately due and payable in accordance with this Indenture, and the Indenture Trustee has determined or become obliged to enforce the same;
- (c) subject to Section 11.1, the Indenture Trustee shall not incur any liability or responsibility whatever in consequence of permitting or suffering the Trust to retain or to be in possession of any part of any of the Collateral and to use and enjoy the same unless herein expressly otherwise provided; nor shall the Indenture Trustee be or become responsible or liable for any destruction, deterioration, loss, injury or damage which may occur or be done by the Trust or by any other Person to any of the Collateral, or be in any way responsible for the consequence of any breach on the part of the Trust of any of the covenants herein contained or of any acts of the agents or servants of the Trust;
- (d) subject to Section 7.12 and Section 19.1, the Trust hereby indemnifies and saves harmless the Indenture Trustee and its officers, directors, employees, beneficiaries and stockholders from and against any and all liabilities, losses, costs, claims, actions, expenses (including reasonable legal fees and disbursements on a "full indemnity basis") or demands whatsoever which may be brought against the Indenture Trustee or which it may suffer or incur as a result of or arising out of the performance of its duties and obligations under or in connection with this Indenture, including those arising out of or related to actions taken or omitted to be taken by the Indenture Trustee contemplated hereby (except where otherwise provided in this Indenture), legal fees and disbursements on a "full indemnity basis" and costs and expenses incurred in connection with the enforcement of this indemnity, which the Indenture Trustee may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Indenture Trustee and including any deed, matter or thing in relation to the registration, perfection, release or discharge of the Security Interests, save only in the event of the gross negligence or reckless disregard in acting or failing to act, or the wilful misconduct, dishonesty or bad faith of the Indenture Trustee. It is understood

- 266 -

and agreed that this indemnification shall survive the termination or discharge of this Indenture and the resignation of the Indenture Trustee;

- (e) the Indenture Trustee shall not be liable for or by reason of any failure or defect of title to or any Lien upon any of the Collateral or for or by reason of the statements or implications of fact or law contained in or arising out of anything contained in this Indenture or in the Notes or be required to verify the same, but all statements or implications shall be deemed to have been made by the Trust only, and it shall not be the duty of the Indenture Trustee to see to the registration, recording or filing or renewal of this Indenture or any Trust Document upon any of the Collateral or any part thereof or upon any other property of the Trust or to procure any local mortgage, pledge or charge or other additional document of further assurance or to do any other act for the continuance of the Security Interests or for giving notice of the existence of any of the Security Interests or for extending or supplementing the same, or to insure or keep insured against loss or damage by fire or otherwise any of the Collateral or any part thereof, or to keep itself informed or advised as to the payment by the Trust of any taxes or premiums of insurance or other payments which the Trust should make or to require payments to be made; it being hereby agreed and declared that as to all matters and things referred to in this Section 11.13(e), the duty and responsibility shall rest upon the Trust and not upon the Indenture Trustee and the failure of the Trust to discharge this duty and responsibility shall not in any way render the Indenture Trustee liable or cast upon it any duty or responsibility for breach of which it would be liable;
- (f) the Indenture Trustee may, in the exercise of all or any of the trusts, powers and discretion vested in it hereunder, act by its Responsible Officers; the Indenture Trustee may also delegate to any Person the performance of any of the trusts and powers vested in it by this Indenture, and any delegation may be made upon terms and conditions and subject to regulations as the Indenture Trustee may think to be in the best interest of the Holders;
- (g) unless otherwise required herein, the Indenture Trustee shall not be required to take notice or be deemed to have notice or actual knowledge of any Event of Default or other matter hereunder, unless the Indenture Trustee shall have received from the Issuer Trustee or the Administrator, on behalf of the Trust, written notice stating the matter in respect of which the Indenture Trustee should have notice or actual knowledge;
- (h) the Indenture Trustee shall not be bound to act in accordance with any direction or request of or on behalf of the Trust until a duly authenticated copy of the document containing the direction or request has been delivered to the Indenture Trustee, and the Indenture Trustee shall be fully empowered to act and shall be fully protected from all liability in acting upon any document purporting to be proper and believed by the Indenture Trustee to be genuine; and
- (i) the Indenture Trustee shall not be responsible for any error made or act done by it resulting from reliance upon the signature of any Person on behalf of the Trust or of any Person on whose signature the Indenture Trustee may be called upon to act or refrain from acting under this Indenture.

The expense of any act, document or thing required under this Section 12.10 will be satisfied from the property and assets of the Trust in the same manner as if the amount of such expense constitutes an amount in respect of fees payable to the Collateral Agent under this Indenture. The Trust shall advise the Rating Agency that it has received notice of the resignation or given notice of the removal of the Collateral Agent within one Business Day of receipt or provision of such notice.

(5) Any corporation into which the Collateral Agent may be merged or with which it may be consolidated or amalgamated or any company resulting from any merger, consolidation or amalgamation to which the Collateral Agent shall be a party shall be a successor Collateral Agent under this Indenture, without the execution of any document or any further act; provided that such successor Collateral Agent shall be a corporation qualified to carry on the business of a trust company in each of the provinces of Canada and shall not have a material conflict of interest in its role as a fiduciary under this Indenture and shall, in the event that such corporation does not become a successor Collateral Agent by operation of law pursuant to such merger, consolidation or amalgamation, execute and deliver such written instruments as may be reasonably required to confirm and/or acknowledge its status as a successor Collateral Agent. #### **12.11 Authority to Carry on Business; Resignation.**

The Collateral Agent represents and warrants to the Trust that at the date of execution and delivery by it of this Indenture it is authorized to carry on the business of a trust company in each of the provinces of Canada. If, notwithstanding the provisions of this Section, the Collateral Agent ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the Notes created, issued, certified and delivered hereunder shall not be affected in any manner whatsoever by reason only of such event but the Collateral Agent shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in each of the provinces of Canada, either become so authorized or resign in the manner and with the effect specified in Section 11.11.

#### **12.12 Protection of Collateral Agent.**

By way of supplement to the provisions of any law from time to time relating to trustees and in addition to any other provision of this Indenture for the relief of the Collateral Agent, it is expressly declared and agreed as follows:

- (a) the Collateral Agent shall not be liable for or by reason of any statements of fact or recitals in this Indenture or in the Notes (except the representations and warranties contained in Section 12.10(1), Section 12.11 and Section 12.13 which are being given by the Collateral Agent in its personal capacity) or required to verify the same, but all such statements or recitals are and shall be deemed to be made by the Trust;
- (b) the Collateral Agent shall not be bound to give to any Person notice of the execution hereof or of the Security Interests unless and until an Event of Default has occurred and Notes have been declared immediately due and payable in accordance with this Indenture, and the Collateral Agent has determined or become obliged to enforce the same;
- (c) the Collateral Agent shall not incur any liability or responsibility whatever in consequence of permitting or suffering the Trust to retain or to be in possession of any part of any of the Collateral and to use and enjoy the same unless herein expressly otherwise provided; nor shall the Collateral Agent be or become responsible or liable for any destruction, deterioration, loss, injury or damage which may occur or be done by the Trust or by any other Person to any of the Collateral, or be in any way responsible for the consequence of

- 272 -

any breach on the part of the Trust of any of the covenants herein contained or of any acts of the agents or servants of the Trust;

- (d) subject to Section 7.12 and Section 19.1, the Trust hereby indemnifies and saves harmless the Collateral Agent and its officers, directors, employees, beneficiaries and stockholders from and against any and all liabilities, losses, costs, claims, actions, expenses (including legal fees and disbursements on a solicitor and his own client basis) or demands whatsoever which may be brought against the Collateral Agent or which it may suffer or incur as a result of or arising out of the performance of its duties and obligations under or in connection with this Indenture, including those arising out of or related to actions taken or omitted to be taken by the Collateral Agent contemplated hereby, legal fees and disbursements on a "full indemnity basis" and costs and expenses incurred in connection with the enforcement of this indemnity, which the Collateral Agent may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Collateral Agent and including any deed, matter or thing in relation to the registration, perfection, release or discharge of the Security Interests constituted hereby, save only in the event of the gross negligence or reckless disregard in acting or failing to act, or the wilful misconduct, dishonesty or bad faith of the Collateral Agent. It is understood and agreed that this indemnification shall survive the termination or discharge of this Indenture or the resignation of the Collateral Agent;
- (e) the Collateral Agent shall not be liable for or by reason of any failure or defect of title to or any Lien upon any of the Collateral or for or by reason of the statements or implications of fact or law contained in or arising out of anything contained in this Indenture or in the Notes or be required to verify the same, but all statements or implications shall be deemed to have been made by the Trust only, and it shall not be the duty of the Collateral Agent, except as herein otherwise specifically provided, to see to the registration, recording or filing or renewal of this Indenture or any Trust Document upon any of the Collateral or any part thereof or upon any other property of the Trust or to procure any local mortgage, pledge or charge or other additional document of further assurance or to do any other act for the continuance of the Security Interests or for giving notice of the existence of any of the Security Interests or for extending or supplementing the same, or to insure or keep insured against loss or damage by fire or otherwise any of the Collateral or any part thereof, or to keep itself informed or advised as to the payment by the Trust of any taxes or premiums of insurance or other payments which the Trust should make or to require payments to be made; it being hereby agreed and declared that as to all matters and things referred to in this Section 12.12(e), the duty and responsibility shall rest upon the Trust and not upon the Collateral Agent and the failure of the Trust to discharge this duty and responsibility shall not in any way render the Collateral Agent liable or cast upon it any duty or responsibility for breach of which it would be liable;
- (f) the Collateral Agent may, in the exercise of all or any of the trusts, powers and discretion vested in it hereunder, act by its Responsible Officers; the Collateral Agent may delegate to any Person the performance of any of the trusts and powers vested in it by this Indenture, and any delegation may be made upon terms and conditions and subject to regulations as the Collateral Agent may think to be in the best interest of the Holders;
- (g) the Collateral Agent shall not be required to take notice or be deemed to have notice or actual knowledge of any matter hereunder, unless the Collateral Agent shall have received from the Trust written notice stating the matter in respect of which the Collateral Agent should have notice or actual knowledge;
- (h) the Collateral Agent shall not be bound to act in accordance with any direction or request of the Trust until a duly authenticated copy of the document containing the direction or request has been delivered to the Collateral Agent, and the Collateral Agent shall be fully

- 273 -

empowered to act and shall be fully protected from all liability in acting upon any document purporting to be proper Notes and believed by the Collateral Agent to be genuine; and

- (i) the Collateral Agent shall not be responsible for any error made or act done by it resulting from reliance upon the signature of any Person on behalf of the Trust or of any Person on whose signature the Collateral Agent may be called upon to act or refrain from acting under this Indenture.

**ARTICLE 14  
NOTEHOLDERS' MEETING**

**14.1 Calling of Meetings.**

At any time and from time to time, the Issuer Trustee or the Administrator, on behalf of the Trust, or the Indenture Trustee may, and the Indenture Trustee shall on receipt of a written request signed by the Issuer Trustee or the Administrator, on behalf of the Trust, or Holders of the Voting Class then outstanding representing not less than 25% of the aggregate unpaid principal amount of the Voting Class, and upon receiving sufficient funds and being indemnified to its reasonable satisfaction by the Trust or by the Holders of the Voting Class signing such request, as the case may be, against the costs which may be incurred in connection with the calling and holding of such meeting, call a meeting of applicable Noteholders. If the Indenture Trustee fails within 15 days after receipt of

- 279 -

such written request, such funds and such indemnity to give notice calling such meeting, such Holders of the Voting Class may themselves call such meeting and the notice calling such meeting may be signed by such Person as those Noteholders specify. Every such meeting shall be held in the Municipality of Metropolitan Toronto or at such other place as the Indenture Trustee shall approve or determine.

#### **14.2 Record Date.**

For the purpose of determining Noteholders entitled to receive notice of a meeting of Noteholders to be held pursuant to this Article 14, the Issuer Trustee or the Administrator, on behalf of the Trust, or the Indenture Trustee may fix in advance a date as the record date for determining such Noteholders, but the record date shall not precede by more than 50 or less than 21 days the date on which the meeting is to be held.

#### **14.3 Notice of Meetings.**

At least 21 days of prior notice of any meeting of Holders of the Voting Class shall be given to the Holders of such Voting Class, to the Trust (unless the meeting has been called by it) and to the Indenture Trustee (unless the meeting has been called by it) in accordance with Article 13. Such notice shall state the time when and the place where the meeting is to be held and shall specify, in general terms, the nature of the business to be transacted at such meeting. It shall not be necessary to specify in the notice the text of the resolutions to be passed. Such notice shall also state that any applicable Noteholder may be represented at any such meeting by a proxy duly appointed by document in writing in accordance with the regulations made from time to time by the Indenture Trustee pursuant to Section 14.14 and that the appointment of any proxy may be revoked at any time before the commencement of the meeting to which the appointment relates. Subject to Section 14.4(1), notices shall be given in the manner set forth in Article 13 and may be given by means of advertisement in newspaper pursuant to Section 13.3 and a copy thereof shall be delivered to the Indenture Trustee unless the meeting has been called by it.

#### **14.4 Quorum.**

(1) At a meeting of Noteholders, Persons entitled pursuant to Section 14.7(1) to vote Notes representing more than 25% of the aggregate unpaid principal amount of Notes then outstanding or of Notes then outstanding of such Class or Classes, as the case may be, shall constitute a quorum. No business shall be transacted in the absence of a quorum, unless a quorum is present when the meeting is called to order. If a quorum is not present on the date for which the meeting is called within 30 minutes after the time fixed for the holding of such meeting, then the meeting, if called pursuant to a request of any Noteholders, will be dissolved; but in any other case, the meeting shall be adjourned to the same day in the next calendar week (unless such day is not a Business Day in which case it will be adjourned to the next succeeding Business Day thereafter) at the same time and place and no notice will be required to be given in respect of such adjourned meeting. At the adjourned meeting, the Noteholders of the applicable Classes present in person or by proxy will constitute a quorum and may transact the business for which the meeting was originally convened, notwithstanding that such Noteholders may not represent 25% of the aggregate unpaid principal amount of Notes then outstanding or of Notes then outstanding of such Class or Classes, as the case may be. Any meeting of Noteholders duly called at which a quorum is present may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

(2) Where the Holder of a Note who has executed a document in writing appointing a Person as proxy and such Person who is a proxyholder is present at the meeting, the Holder shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; provided, that such Noteholder shall be considered as present or voting only with respect to the matters covered by such document in writing.

#### **14.5 Chairperson.**

The Indenture Trustee shall appoint in writing an individual, who need not be a Noteholder, to be the chairperson of the meeting; provided, however, that the Holders of Notes representing more than 50% of the aggregate unpaid principal amount of the Notes then outstanding of all Voting Classes represented at the meeting may elect at such meeting another individual, who need not be a Noteholder, to be the chairperson of the meeting. No vote shall be cast or counted at any meeting in respect of any Notes challenged as not outstanding and ruled by the chairperson of the meeting to be not outstanding. The chairperson of the meeting shall have no right to vote except as a Holder of a Note or proxyholder.

**14.6 Power to Adjourn.**

The chairperson of any meeting at which a quorum of Noteholders is present may, with the consent of the Holders of a majority of the principal amount of Notes then outstanding represented thereat, adjourn any such meeting and no notice of such adjournment need be given except such notice, if any, as the meeting may prescribe.

**14.7 Voting.**

(1) To be entitled to vote at any meeting of Holders of Notes, a Person shall be (a) a Holder of one or more Notes then outstanding of the applicable Class or Classes or (b) a Person appointed by a document in writing as proxy by the Holder of one or more such Notes of such Class. A proxy need not be a Noteholder. In the case of joint registered Holders of a Note, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others, but in case more than one of them is present in person or by proxy, they will vote together in respect of the Notes of which they are joint registered Holders.

(2) Every Noteholder present in person or by proxy shall be entitled to one vote in respect of each \$1 principal amount of Notes held by such Noteholder entitled to vote thereon. The number of votes to which a Noteholder holding Notes denominated in U.S. Dollars shall be entitled shall be determined based upon the Canadian Dollar/U.S. Dollar noon rate of exchange as published by the Bank of Canada on the record date for the applicable meeting or, where action is taken by signed document pursuant to Section 14.15, on the Business Day immediately preceding the date of such document.

(3) Every question submitted to a meeting, except any question subject to an Extraordinary Resolution or as contemplated by Section 14.9(1), shall be decided by a majority of votes of Noteholders voting and entitled to vote thereon.

(4) The vote upon any resolution submitted to any meeting of Noteholders shall be by a show of hands unless otherwise determined by the chairperson or demanded by Noteholders holding more than 5% aggregate principal amount of notes entitled to vote on such resolution that the vote shall be by written ballot on which shall be subscribed the name and signatures of Noteholders or proxies entitled to vote at such meeting and on which shall be inscribed the serial number or numbers of the Notes held or represented by them. The chairperson of the meeting shall appoint two scrutineers who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in triplicate of all votes cast at the meeting. A record in triplicate of the proceedings of each meeting of Noteholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the scrutineers on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was published as provided above. The record shall be signed and verified by the chairperson and secretary of the meeting and one of the triplicates shall be delivered to the Administrator, one to the Trust and the other to the Indenture Trustee to be preserved by the Indenture Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

**14.8 Additional Powers Exercisable by Noteholders of a Class or all Outstanding Classes.**

(1) Subject to Section 14.9(1), in addition to any powers granted elsewhere in this Indenture or by law, a meeting of the Holders of the Class or Classes of Notes prescribed by Section 14.8(2), will have the following powers exercisable from time to time by an Extraordinary Resolution of the Holders of such Class or Classes of Notes:

- (d) to assent to any modification of or change in or addition to or omission from or waiver of the provisions contained in this Indenture or any instrument ancillary or supplementary thereto that shall be agreed to by the Administrator, on behalf of the Trust, and to authorize the Indenture Trustee or Collateral Agent to concur in and execute any deed, instrument or agreement embodying any such modification, change, addition or omission or any other deeds, documents or writings authorized by such Extraordinary Resolution, provided that no such assent shall be necessary for any modification of or change in or addition otherwise permitted therein;
- (e) to sanction any winding-up scheme for the reconstruction or reorganization of the Trust for the consolidation or merger of the Trust with any Person (except where otherwise permitted by Article 19 of this Indenture);
- (f) to authorize the Collateral Agent or Indenture Trustee, in the event of the Trust making an authorized assignment or proposal or in the event of an administrator, trustee, receiver or liquidator being appointed under any applicable bankruptcy or insolvency legislation for and on behalf of the creditors of the Trust (and not otherwise prohibited under this Indenture) and, in addition to any claim or debt provided or made for its own account, to file and provide a claim or debt against the Trust or its property for an amount equivalent to the aggregate amount which may be payable in respect of the Notes of any Class, to value the related Collateral, and to vote such claim or debt at meetings of creditors and generally act for and on behalf of the holders of Notes of any Class in such proceedings as such Extraordinary Resolution may provide;

- (j) to direct any Holder of any Note of a Class who, as such, has brought any Proceeding, to stay or discontinue or otherwise deal with the same in the manner directed by such direction upon payment, if the taking of such Proceeding shall have been permitted by Section 10.1, of the costs, charges and expenses reasonably and properly incurred by such Noteholder in connection therewith;
- (k) to sanction any significant change to the business of the Trust;
- (l) to authorize the Indenture Trustee, or any other Person to bid or tender at any sale of the related Collateral or any part thereof and take such actions in connection with such sale as it determines to be in the best interests of Noteholders of the applicable Class;

- 282 -

- (m) to direct the Administrator to remove the person then acting as Issuer Trustee, provided that at the time of such direction the Administrator has the right under the Declaration of Trust to remove the person then acting as the Issuer Trustee;
- (n) to direct the Administrator to appoint a successor Issuer Trustee meeting the eligibility requirements set out in the Declaration of Trust, provided that at the time of such direction the Issuer Trustee has given written notice of its intention to resign or the Administrator has the right under the Declaration of Trust to remove the Person then acting as the Issuer Trustee;

#### **14.9 Additional Approvals.**

(1) Notwithstanding Section 14.8, no Extraordinary Resolution may be adopted and no modification of or change in or addition to or omission from or waiver of the provisions of this Indenture may be made, and the Trust shall not take any action or make, execute, acknowledge and deliver deeds or indentures supplemental to this Indenture or other document, which shall:

- (a) except as provided in the Trust Documents, reduce in any manner the amount or priority of or delay the time of any payments (whether principal, interest or otherwise) to be made to the Holders of Notes then outstanding of a Class, as applicable, or deposits of amounts to be so paid, without the consent of Holders representing 95% or more of the aggregate principal amount of Notes of such Class who are present in person or by proxy at a meeting of such Noteholders called to consent to such reduction or delay in accordance with Article 14 or pursuant to a document or documents in writing signed by Holders representing 95% or more of the aggregate principal amount of Notes of such Class in accordance with Section 14.4 (provided that if such consent is not provided any affected Holder of a Note then outstanding of such Class may consent to such change with respect to its Notes only);
- (b) change prejudicially the manner of calculating amounts to which any Holder of Notes then outstanding of a Class, as applicable, is entitled hereunder, without the consent of Holders representing 95% or more of the aggregate principal amount of Notes of such Class who are present in person or by proxy at a meeting of such Noteholders called to consent to such change in accordance with Article 14 or pursuant to a document or documents in writing signed by Holders representing 95% or more of the aggregate principal amount of Notes of such Class, as applicable, in accordance with Section 14.4(2) (provided that if such consent is not provided any affected Holder of a Note then outstanding of such Class may consent to such change with respect to its Notes only);
- (c) affect one Class of Notes solely or in a manner or to an extent differing from that which affects the rights of Holders of other Classes, without the consent by Extraordinary Resolution of Holders of the Class particularly affected;

- 284 -

- (d) change who is required to consent in the proviso in Section 9.2(2) or Section 9.4(1) or reduce the specified percentage of the aggregate unpaid principal amount of Notes then outstanding of a Class or all applicable Classes, as the case may be, required in Section 10.1(b), Section 14.8, or this Section 14.9(1)(d) or in the proviso in Section 9.5(1) or in the definition of "Extraordinary Resolution" in Section 1.1, without the consent of Holders representing 66-2/3% or more aggregate principal amount of Notes of all Classes (voting together) who are present in person or by proxy at a meeting of such Noteholders called to consent to such amendment in accordance with Article 14 or pursuant to a document or documents in writing signed by the Holders of Notes then outstanding of all Classes in accordance with Section 14.14; or
- (e) reduce the specified percentage of the aggregate unpaid principal amount of Notes then outstanding of a Class, required in this Section 14.9(1)(a) or Section 14.9(1)(b) to consent to any matter described therein without the consent of Holders representing 95% or more aggregate principal amount of Notes of such Class who are present in person or by proxy at a meeting of such Noteholders called to consent to such amendment in accordance with Article 14 or pursuant to a document or documents in writing signed by each affected Holder of Notes then outstanding of such Class, as applicable, in accordance with Section 14.14.

(2) No Extraordinary Resolution or resolution pursuant to this Section 14.9(1)(a) may be adopted, and no Amendment under Section 16.1 may be entered into, that could materially adversely affect the rights or interests of a Specified Creditor in its capacity as such (other than a Noteholder) without the express written consent of such Specified Creditor and the Indenture Trustee shall have no obligation to take any action pursuant to any Extraordinary Resolution or this Section 14.9 to the extent adopted in the absence of the applicable consents.

(3) It shall not be necessary for the consent of the Holders of Notes of any Class under Section 14.8, Section 14.9 or Section 16.1 or the other Specified Creditors whose consent is required to approve the particular form of any matter described in such provisions, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof shall be subject to such reasonable requirements as the Indenture Trustee may prescribe from time to time.

#### **14.10 Powers Cumulative.**

The powers granted in this Indenture shall be deemed to be several and cumulative and not dependent on each other and the exercise of one or more of such powers, or any combination of such powers, from time to time, shall be deemed to not exhaust the rights of the Noteholders to exercise such power or powers, or combinations of powers, thereafter from time to time.

#### **14.11 Minutes.**

Minutes of all resolutions and proceedings at every such meeting, as aforesaid, shall be made and duly entered in books to be provided from time to time for that purpose by the Indenture Trustee at the expense of the Trust and any such minutes, as aforesaid, if signed by the chairperson of the meeting at which such resolutions were passed or proceedings had, or by the chairperson of the next succeeding meeting of Noteholders, shall be *prima facie* evidence of the matters therein stated and, until the contrary is proved, every such meeting in respect of the proceedings of which meetings shall have been made shall be deemed to have been duly called and held and all resolutions passed or proceedings had at such meeting to have been duly passed and had.

#### **14.12 Persons Who May Attend.**

The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Notes of a Class or Classes, as applicable, shall be the Persons entitled to vote at such meeting and their counsel, and the directors, officers and employees of the Issuer Trustee, the Indenture Trustee, the Collateral Agent and the Administrator and the Rating Agency.

- 285 -

**14.13 Regulations.**

The Indenture Trustee on the one hand, or the Administrator, on behalf of the Trust, with the approval of the Indenture Trustee on the other hand, may from time to time make and from time to time vary or revoke such regulations as it shall from time to time think fit providing for and governing all matters relating to proxies, including matters relating to the form of the document appointing a proxy and the deposit of documents appointing proxies. Any regulations so made shall be binding and effective and the votes given in accordance therewith shall be valid and shall be counted.

**14.14 Signed Documents.**

All actions which may be taken and all powers that may be exercised by the Holders of Notes of a Class or Classes, as the case may be, at a meeting of such Class or Classes, as the case may be, as provided in this Indenture may also be taken and exercised by a document in writing signed in one or more counterparts by the applicable percentage of Holders of Notes then outstanding of such Class or Classes, as the case may be. Every such document relating to any or all of such actions or powers shall have the same force and effect as a resolution duly passed at a meeting of the Holders of Notes of a Class or all applicable Classes, as the case may be, called for purpose of providing such action or power.

**14.15 Binding Effect of Resolutions.**

Every resolution (including every Extraordinary Resolution) passed in accordance with this Indenture at a meeting of the Holders of Notes of a Class or Classes, as the case may be, shall be binding upon all Holders of Notes of such Class or Classes, as the case may be, whether present or absent from such meeting, and every document in writing signed by the Holders of Notes of a Class or Classes, as the case may be, in accordance with Section 14.14 shall be binding upon all Holders of Notes of such Class or Classes, as the case may be, whether signatories thereto or not, and each and every Holder of Notes of such Class or Classes, as the case may be, and the Indenture Trustee (subject to compliance with the provisions of Section 11.9(2) with respect to the giving of sufficient funds and indemnity) shall be bound to give effect accordingly to every such resolution and document in writing.

**ARTICLE 15  
EVIDENCE OF RIGHTS OF SPECIFIED CREDITORS**

**15.1 Evidence of Rights.**

(1) Except as otherwise provided in any Extraordinary Resolution, any request, demand, authorization, direction, notice, consent, waiver, other document or other action which this Indenture may require or permit to be given or taken by all or any of the Specified Creditors may be embodied in and evidenced by one or more documents of substantially similar tenor executed by all or any of the Specified Creditors, in person or by attorneys duly appointed in writing; and, except as otherwise expressly provided herein, such action shall become effective when such document or documents are delivered to the Indenture Trustee and, where it is hereby expressly required, to the Trust in accordance with Section 13.1. Proof of the execution of any such document or of a document appointing any such attorney shall be sufficient for any purpose of this Indenture and conclusive in favour of the Indenture Trustee and the Trust, if made in the manner provided in this Article 15.

(2) The fact and date of the execution by any Person of any such document or writing may be proved by the certificate of any notary public or other officer authorized to take acknowledgements, that the Person executing such document acknowledged to such notary public or other officer the execution thereof by an affidavit of a witness of such execution or in any other manner which the Indenture Trustee may consider adequate.

(3) The fact of the holding of Notes by any Person executing such request or other document and the amounts, designations and numbers thereof and the date of such Person's holding the same may be proved by deposit of such Notes with the Indenture Trustee or by a certificate executed by any bank, trust company or other depository satisfactory to the Indenture Trustee, wherever situated, if such certificate shall be deemed by the Indenture Trustee to be satisfactory, certifying that on the date therein mentioned such Person had on deposit with

- 286 -

such depository the Notes designated in such certificate and that such Notes will remain so deposited until the surrender or cancellation of the certificate. The Indenture Trustee may, nevertheless, in its discretion, require further proof in cases where it deems further proof desirable or may accept such other proof as it shall consider proper. The Indenture Trustee shall not be bound to recognize any Person as a holder of a Note unless and until such Person's holding thereof is proved as hereinbefore provided in this Article 15, or in such other manner as the Indenture Trustee may consider sufficient, provided, however, that the Indenture Trustee may, in its discretion, dispense with the requirements of such proof.

(4) Any Extraordinary Resolution, request, demand, authorization, direction, notice, consent, waiver, other document or other action by any Noteholder shall bind any subsequent Holder thereof and the Holder of any Note created, issued, certified and delivered in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Indenture Trustee or Trust or agents of the Trust in reliance thereon, whether or not notation of such action is made upon such Note.

## **ARTICLE 16**

### **SUPPLEMENTAL INDENTURES AND AMENDMENTS**

#### **16.1 Supplemental Indentures to this Indenture or any Trust Document.**

(1) Without the consent of the Noteholders, from time to time the Trust and the Indenture Trustee may, and shall upon the written request of the Issuer Trustee or the Administrator, on behalf of the Trust, or when so directed by this Indenture, make, execute, acknowledge and deliver deeds or indentures supplemental to this Indenture which shall then form part of this Indenture (such deeds and indentures supplemental are herein sometimes referred to as an "**Amendment**") for any one or more of the following purposes:

- (a) mortgaging, pledging, assuring, confirming or transferring to, or vesting in, the Collateral Agent, or charging in favour of the Collateral Agent, any property, real or personal, immovable or movable, now owned or hereafter acquired by the Trust, and providing that the same become and be part of the Collateral;
- (b) correcting or amplifying the description of any property specifically charged by the Security Interests or intended to be so charged;
- (c) giving effect to any Extraordinary Resolution and to any other request, demand, authorization, direction, notice, consent, waiver or other action given to or taken by the Holders of Notes as provided for and in accordance with this Indenture;
- (d) without limiting Section 16.2, evidencing the succession, or successive successions, of any other Person to the Issuer Trustee and the covenants and obligations of the Trust under this Indenture assumed by any such successor in accordance with the provisions of this Indenture;
- (e) making any addition to, or modification, amendment or elimination of any of the terms of, this Indenture which, in the Opinion of Counsel, is necessary or advisable in order to incorporate, reflect or comply with any applicable law or requirement of any Governmental Authority of any jurisdiction, the provisions of which apply to the Trust, the Administrator, the Issuer Trustee or the Indenture Trustee or this Indenture; and
- (f) making any changes or corrections in this Indenture which are non-substantive corrections or changes or are to cure or correct any ambiguity or defective or inconsistent provisions or any clerical omission or mistake or manifest error contained herein or therein, or in any deed, or indenture supplemental hereto or thereto, provided that an opinion of Counsel is obtained by the Trust that such changes or corrections are permitted.

- 287 -

**16.2 Automatic Amendment.**

Upon the Issuer Trustee ceasing to be the trustee of Master Asset Vehicle III, this Indenture will be automatically amended to delete any reference to the name of the trustee so ceasing to be the trustee of Master Asset Vehicle III and to substitute therefor the name of the successor Issuer Trustee or Issuer Trustees as the continuing trustee or trustees of Master Asset Vehicle III, as the case may be and the covenants and obligations of the Trust under this Indenture shall thereafter be assumed by such successor Issuer Trustee, and the trustee so ceasing to be Issuer Trustee shall thereafter have no responsibility therefor, in accordance with the provisions of this Indenture.

**ARTICLE 17  
CONSOLIDATION AND MERGER**

**17.1 Certain Requirements in Respect of Merger, etc.**

The Trust shall not enter into any transaction by way of merger, consolidation or other reorganization as long as any Notes are outstanding unless:

- (a) such other Person (herein called the “**Successor**”) is a trust, partnership or corporation constituted under the laws of the province of Ontario or the laws of Canada and is not a non-resident of Canada for the purposes of the Tax Act;
- (b) the Successor executes, prior to the consummation of such transaction, such indenture supplemental hereto and other instruments (if any) as are satisfactory to the Indenture Trustee and in the Opinion of Counsel necessary or advisable to evidence the assumption by the Successor of the liability for the due and punctual payment of all the Notes and the interest thereon, if any, and all other monies payable hereunder and the covenant of such Successor to observe and perform all the covenants and obligations of the Trust under this Indenture and the Notes;
- (c) such transaction is to the satisfaction of the Indenture Trustee who may rely in this regard upon an Opinion of Counsel upon such terms as substantially to preserve and not to impair any of the rights and powers of the Indenture Trustee, the Collateral Agent, the Noteholders and of other Specified Creditors hereunder;
- (d) at the time of or immediately after the consummation of such transaction, no condition or event shall exist which constitutes or which would, after the lapse of time or giving of notice or both, constitute an Event of Default hereunder; and
- (e) the Rating Agency Condition shall have been satisfied.

**17.2 Vesting of Powers in Successor.**

Upon satisfaction of the conditions of Section 17.1, the Successor shall succeed to and be substituted for the Trust with the same effect as if the Successor had been named herein and the Successor shall possess and from time to time may exercise each and every right and power of the Trust under this Indenture in the name of the Trust or otherwise.

**17.3 Execution of Supplemental Indenture.**

Upon being satisfied that the conditions of Section 17.1 have been duly observed and performed, the Indenture Trustee shall execute any supplemental indenture required.

## **ARTICLE 18**

### **ADVISORY COMMITTEE**

#### **18.1 Creation of Advisory Committee.**

A committee of Noteholders shall be established (the “**Advisory Committee**”) to liaise with, provide advice to, and to be available for consultation with (i) the Administrator regarding strategies to be pursued and actions to be taken by the Administrator with respect to the management of the Collateral and (ii) the Indenture Trustee regarding matters relating to the Indenture.

#### **18.2 Composition of the Advisory Committee.**

Each Holder or group of Holders who holds Notes representing 5% or more of the total outstanding principal amount of Notes shall be entitled to appoint one nominee to the Advisory Committee. If any Holder or group of Holders ceases to hold Notes representing 5% or more of the total outstanding principal amount of Notes, the nominee appointed to the Advisory Committee by such Holder shall cease to be a member of the Advisory Committee immediately upon the Holder ceasing to hold such amount of Notes without further action by any Person. No Holder may join more than one group of Holders for purposes of appointing a nominee to the Advisory Committee. Where a Holder has nominated a nominee to the Advisory Committee, no Affiliate of such Holder may appoint any nominee to the Advisory Committee. Upon the initial creation of the Advisory Committee the Chairman of the Advisory Committee shall provide notice of the members thereof to Indenture Trustee and the Trust and shall promptly, and in any event within 10 Business Days thereafter, advise the Indenture Trustee and the Trust of any changes to the composition of the Advisory Committee.

#### **18.3 Calling and Notice of Meetings.**

Meetings of the Advisory Committee shall be called and held at such time and at such place in Canada as the members thereof, the chairperson of the Advisory Committee or any two members of the Advisory Committee may determine, and any one member of the Advisory Committee may give notice of meetings when directed or authorized by such person(s). Notice of each meeting shall be given to each member of the Advisory Committee not less than 48 hours before the time when the meeting is to be held. A member of the Advisory Committee may waive this notice and the presence of such member at such a meeting will be deemed to be a waiver of this notice requirement except where such member attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened. Notice of a meeting of the Advisory Committee may be given orally, in writing or by telephone, fax or other means of communication. A notice of a meeting of the Advisory Committee need not specify the purpose of or the business to be transacted at the meeting. Notwithstanding the foregoing, the Advisory Committee may by resolution from time to time fix a day or days in any month or months for regular meetings of the Advisory Committee at a place and hour to be named, in which case, provided that a copy of such resolution is sent to each member of the Advisory Committee forthwith after being passed and forthwith after each member's appointment, no other notice shall be required for any such regular meeting.

#### **18.4 Meetings by Telephone.**

A member of the Advisory Committee may participate in a meeting by means of telephone or other communication facilities that permit all persons participating in the meeting to hear each other. A member participating in such a meeting in such manner shall be considered present at the meeting and at the place of the meeting.

#### **18.5 Quorum.**

The quorum for the transaction of business at any meeting of the Advisory Committee shall consist of a majority of the number of members then comprising the Advisory Committee.

- 289 -

**18.6 Chairperson.**

The Chairperson of the Advisory Committee shall be chosen by the members of the Advisory Committee from amongst themselves. The chairperson of any meeting of the Advisory Committee shall be the member present at the meeting who holds the office of Chairperson of the Advisory Committee or if such person is not present, the members of the Advisory Committee present shall choose one of their number to be Chairperson.

**18.7 Action by the Advisory Committee.**

At all meetings of the Advisory Committee, unless the members of the Advisory Committee shall establish a different approval threshold, every question shall be decided by a majority of the members of such committee voting on the question.

**18.8 Adjourned Meeting.**

Any meeting of the Advisory Committee may be adjourned from time to time by the chairperson of the meeting with the consent of the members present at the meeting to a fixed time and place. Further notice of the adjourned meeting need not be given. The adjourned meeting shall be duly constituted if a quorum is present and if it is held in accordance with the terms of the adjournment. If there is not a quorum present at the adjourned meeting, the original meeting shall be deemed to have terminated upon its adjournment.

**18.9 Indemnification of Advisory Committee.**

Each member or former member of the Advisory Committee shall be entitled to be and shall be indemnified and reimbursed by the Trust from the Collateral in accordance with Article 5 of this Indenture in respect of any and all costs, charges and expenses, including amounts paid to settle an action or satisfy a judgment, reasonably incurred in respect of any civil, criminal or administrative action or proceeding to which the member or former member is made a party or against whom any such claim, action or proceeding is commenced or proposed by reason of being or having been a member of the Advisory Committee; provided that a member or former member shall not be indemnified out of the Collateral in respect of such costs, charges and expenses that arise out of or as a result or in the course of his or her failure to act honestly and in good faith with a view to the best interests of the Noteholders (or, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, where the member or former member did not have reasonable grounds for believing that his or her conduct was lawful). A member or former member of the Advisory Committee shall not be entitled to satisfy any right of indemnity or reimbursement granted herein except out of the Collateral available therefor under and in accordance with the terms of Article 5 of this Indenture.

**ARTICLE 19  
GENERAL**

**19.1 Limitation of Liability of Issuer Trustee.**

(1) It is expressly understood and agreed that: (a) this Indenture is executed and delivered by the Issuer Trustee, not individually or personally but in its capacity as trustee of Master Asset Vehicle III in the exercise of the powers and authority conferred and vested in it; (b) each of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations herein made on the part of Master Asset Vehicle III is made and intended not as personal representations, undertakings, covenants, indemnities, agreements and other obligations by the Issuer Trustee but is made and intended for the purpose of binding only the property and assets of Master Asset Vehicle III; and (c) nothing herein contained shall be construed as creating any liability on the Issuer Trustee in its personal capacity, the beneficiaries or any incorporator, Affiliate, shareholder, director, officer, representative, employee, manager, member, advisor or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee, to perform any covenant either expressed or implied contained herein, all such liability, if any, being expressly waived by the parties hereto and by any Person claiming by, through or under the parties hereto; (d) under no circumstances shall the Issuer Trustee in its personal capacity, the beneficiaries or any incorporator, Affiliate, shareholder, director, officer, representative, employee, manager, member, advisor or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee be personally liable for the payment of any indebtedness or

- 290 -

expenses of the Master Asset Vehicle III or be liable for the breach or failure of any representation, warranty, undertaking, covenant, indemnity, agreement or other obligation made or undertaken by the Trust under this Indenture or any other Trust Document, other than in respect of its own fraud, wilful misconduct, bad faith, gross negligence or reckless disregard of its obligations and duties; (e) except as otherwise specifically provided in this Indenture, no property or assets of the Issuer Trustee, whether owned beneficially by it in its personal capacity or otherwise than in its capacity as issuer trustee of Master Asset Vehicle III, will be subject to levy, execution or other enforcement procedures with regard to any of the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Issuer Trustee or the Trust under such written instrument; and (f) no recourse may be had or taken, directly or indirectly against the Issuer Trustee in its personal capacity, the beneficiaries or any incorporator, Affiliate, shareholder, director, officer, representative, employee, manager, member, advisor or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee with regard to the representations, warranties, undertakings, covenants, indemnities, agreements and other obligations of the Trust or the Issuer Trustee or any predecessor or successor of the Issuer Trustee or any beneficiary, incorporator, Affiliate, shareholder, director, officer, representative, employee, manager, member, advisor or agent of the Issuer Trustee or any predecessor or successor of the Issuer Trustee under such written instrument other than in respect of such Person's own fraud, wilful misconduct, bad faith, gross negligence or reckless disregard of its obligations and duties.

(2) It is the intention of the parties hereto that the limitation of liability conferred by this Section 19.1 on the beneficiaries, incorporators, Affiliates, shareholders, officers, representatives, directors, employees, managers, members, advisors, agents or successors and assigns of the Issuer Trustee and of any beneficiaries of the Trust shall be enforceable by each such Person as fully and effectively as if it is a party to this Indenture and notwithstanding any law that otherwise might deprive it of the benefit of this Section 19.1 due to lack of privity or want of consideration.

## **19.2 No Petition.**

Notwithstanding any prior termination of this Indenture, each Specified Creditor, by accepting the benefits of this Indenture, hereby covenants and agrees that, except in the case of the Collateral Agent in connection with the enforcement of its rights and remedies under Article 9, they will not at any time before or within one year and one day after the payment in full of all debt of the Trust institute against the Trust any bankruptcy, reorganization, arrangement, insolvency or liquidation Proceedings under any Canadian federal or provincial or foreign bankruptcy, insolvency, arrangement or similar laws, now or hereafter in effect, or otherwise take any action to appoint a receiver of the Trust or any substantial part of the Collateral, or ordering the winding-up or liquidation of the affairs of the Trust.

## **ARTICLE 20 COUNTERPARTS**

### **20.1 Counterparts.**

This Indenture may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute one and the same document and notwithstanding their date of execution shall be deemed to bear date as of the day and year first written above.
